HIGH SCHOOL

Dedication

"If we work upon marble, it will perish; if on brass, time will efface it; if we rear temples, they will crumble into dust; but if we work upon immortal minds, and imbue them with principles, and with the just fear of God and love of our fellow-men, we engrave on those tablets something that will brighten to all eternity."

DANIEL WEBSTER.

We, the class of 1949, dedicate this Garnet and Gray to our teacher, counsellor, and friend, Mrs. Ollie Belle Coffman.

To T-E

When we were only sophomores
And new to T-E's ways,
We worked to do our very best
In sports, in work, in play.
A little timid first of all,
We soon gained confidence,
And took our places 'mongst new friends
In T-E's halls, content.
Two years flew by with memories dear;
We sigh when we recall
The football games, our Sophomore Hop,
The Junior-Senior Ball.
It seems like only yesterday
That we took part in these,
But now with saddening hearts
We know they're only memories.

Though now we are the seniors
With unknown days ahead,
We know that when we leave T-E
We will be free from dread
That comes from leaving classmates dear
And making friends anew.
We'll have the knowledge and, T-E,
The courage gained from you.
And now the parting hour has come,
The challenging world we face.
New students, eager with love for thee,
Will come to take our place.
Remember us, we're '49,
The class that leaves you now.
Our hearts with loyalty and love
Will e'er to T-E bow.

LOIS STEVENSON '49

The Preparation

Take thee a child with wide and earnest eyes—
A child of six—and then instruct him thus:
When he awakes, teach him to work and hope;
When he lies down, to rest with faith in God.
Kindle his passion for eternal truth,
Elusive in the maze of every day.
Teach him to find and value things of worth,
From babyhood until his spirit flees . . .
When time draws near for him to leave his school,
He wisely sees that all his former years
Were but the preface to his larger life.
As he goes out into the world of men,
He will be sad, yet he will live aright:
Pursuing truth, content in work and prayer.

ALICE MOTLEY '49

Farewell, Seniors

For everything you've done for us
As we have journeyed on,
We wish to thank you, forty-nine;
We'll miss you when you've gone.
We'll miss the pranks and capers gay
That brought about your fame.
Sadness will o'ertake our hearts,
When each familiar name
Is missing from the roll-call, and
When halls no longer ring
With the shouting, thumping noises
You seniors always bring.
And so we say, old friends of ours,
You'll never, never know
How it hurts to say goodby when
The forty-niners go.

Class History

In the fall of 1946 we entered senior high school as sophomores, a little timid, but eagerly anticipating the new experiences we were to have in the days ahead.

During the first semester we adjusted ourselves to the new routine. Our first class meeting made us proud to be an organized class of the school. We wrote our class constitution and elected John Cox, president; Harry Thornbury, vice-president; Barbara Hargreaves, secretary; and Joan Downs, treasurer.

Several outstanding events marked our sophomore year. T-E's football team won the Chester County Football Championship. Our sophomore dance, "April Showers," was a great success, partly because of the band and parade, composed of members of our class which advertised it. At the end of the year we recovered from examinations just in time to bid the seniors farewell and to realize we had actually completed our sophomore year.

After being away from classmates for a summer, which flew swiftly by, we returned to school and our position as junior class with great enthusiasm. We gladly welcomed back Miss Nash, who had been ill the previous year. Miss Dulin took over girls' physical education, Miss Anderson became librarian, and Miss Baker became home economics teacher. We also welcomed Mr. Monahan, English teacher, to the staff.

We elected class officers John Cox, president; Barbara Hargreaves, secretary; and Joan Downs, treasurer. T-E had a fairly successful football season and the annual Thanksgiving game with West Chester was played for the second time at Villanova Stadium instead of on our school field. After enjoying the Christmas holidays, we returned to school and to a new year with many resolutions. It was at this time that we received our class rings, sad reminders of the fact that our fun-packed high school days were already half over.

"Fiesta," the Junior-Senior Prom, was a smashing success with a gayly decorated gymnasium and the crowning of a senior "Queen of Fiesta." Another exciting event marked our junior year. While the seniors were enjoying their customary trip, we toured the state capitol at Harrisburg and had a gala afternoon at Hershey Park. Once again we bade a senior class fond farewell and left our classmates for another lazy summer.

At last we were seniors. What a wonderful year this would be! For the second time in the history of our class T-E won the Chester County Football Championship. Also, the great honor of being chosen most valuable football player on the Main Line was bestowed upon a member of our class, Robert Pollard.

As officers for our senior class we elected John Cox, president; Leslie Hughes, vice-president; Barbara Hargreaves, secretary; and Alice Downing, treasurer.

Several new members were added to the teaching staff this year. Mrs. Philips took over the library, Mrs. Sheaffer became home economics teacher, and Mr. Keehn became boys' physical education instructor.

After an exciting first semester enhanced by frequent senior parties, victory dances, bon fires, and a joy-filled Christmas season, we settled down to mid-year examinations and the beginning of the busiest term of our high school career. The realization of the speed of passing time stunned us as we knew that the long-awaited day of graduation was swiftly coming into sight.

Outstanding events in the spring of 1949 were the "Forty-Niner" (our Senior Prom), the senior play, "And Came the Spring," which proved a great success, the annual Faculty-Varsity basketball game, the music festival, which was enjoyed by everyone, and the Junior-Senior Prom in May given in our honor.

After our class trip and senior examinations, we plunged into Senior Week. At last we experienced the thrill of Class Day, Baccalaureate, and Commencement. Sadly we bade the faculty, underclassmen, and T-E a fond farewell. With appreciation of all T-E had done for us, we each set out upon our chosen path, bearing the happy memories of our high school days with us.

LOIS STEVENSON, '49.

Way Back When

As the cry of "GOLD" echoes through the small frontier town of Berwynsville in the year eighteen forty-nine, people are rushing here and there preparing for the journey to the West and riches. Wagons are rolling in from all directions to join the caravan soon to depart on the long journey.

Never has there been such excitement as prevails on Eason Street, the main thoroughfare. The town has grown up overnight. Wherever there is conversation, there is talk of gold. In the shops, on the street corners, the discussion is the same.

Inside Eli McLaughlin's and Francis Allen's blacksmith shop Andy Wilson remarks to Ted Lockwood while horses are being reshod, "They say that they're gonna pave the streets in California with gold cobblestones."

Outside the shop there is a group of talkative women including Lucy Vito, Barbara Gallagher, Rose Piccoli, and Marjorie Risser. Stella Palma can be heard exclaiming, "There are so many folks comin' West that they're startin' the Hoover an' Hughes Stage Coach Line over in this direction."

Someone else chimes in, "An' did you hear about that new political party they're startin'? Some fellas named Callahan, Speers, and Mihalo are offering each farmer a wagon, a horse, a plow, and some land in exchange for their votes. Pretty good offer, I think."

Farther down the street there is a newly painted sign which reads "NORCINI BROTHERS' TAVERN." Someone exclaims, "I hear they got two swell dancers named Larry Thomas and Jerry Salema. Some Eastern guy named Nick DiBiase does the cookin' too." A few wide-mouthed Indians stare in at the gayety as waitresses Alice Whitelock and Lena D'Antonio serve the patrons. At various tables there are such notorious characters as Red Rider Waters, Straw Packin' Tyson, Evil Eye Patton, and Two Gun Goetchius.

Across the way is the post office. Postmaster Roy Trout has just announced that George Hooper, Pony Express Rider, has passed through town. There is a wild scramble for the mail as Alice Snyder, Ellen Gooding, Violet Hertzfeld, Florence Lynn, and Joan Downs rush with outstretched hands to the post office window. Having also heard that "the mail is in," Yerkes Wilson, Robert Carter, Evelyn Wright, and Mary Ruppelli rush to the post office from across the street.

Someone in this anxious group remarks, as he waits for his mail, "Did you hear about Sheriff Thornbury and Deputy Stetson? With a posse they rounded up two fellas named Jim Thomas and Dick Myers. They were drivin' their Conestoga Wagons too fast on the old Stanford Fe Trail."

"Yeah," answers another, "an' they got 'em down at the court house now."

Up the street there is quite a lot of confusion. Why, it's Amy Kessler and Alice Motley, two sturdy pioneer women, leading a "Women's Rights" parade! Among the followers are Anna Recchi, Edith Natale, Alice Downing, and Anna Battisto. Mary Hoehler is leaning out an upstairs window waving a red flag and shouting, "We want to vote!"

Numerous little shops have opened along Eason Street. Peter Marino has opened a store where the various needs for the journey to the West may be purchased. Handyman Gene Lang has just hung a sign in the window reading, "Lledo and Lambert magic mining pans for sale here."

Charles Pennypacker remarks as he reads it, "Those things ain't worth a bit. I've tried one an' I'm not a cent richer."

Next door Barbara Keithley and Jean Hoffman have opened a new dress shop. Many oh's and ah's can be heard as women peek in the window at the fancy clothes. Up to this time the local gals have had to make their own frocks. Thomas Fosnocht, Neil Griffith, and David Kaye, three young dandies from the East, gaze at the Western ladies with a pleasantly expectant look on their faces.

And now there is a great deal of excitement on the edge of the town. There is shouting and cheering as a group of travelers in their wagons comes to a halt and announces that it plans to make camp at Berwynsville for the night. Drivers, among whom are Louis Aquilante, Raymond Buckwalter, and Edward Corrigan, hop down from their seats as Charles Dunwoody and Nathan Terry hasten to tie the horses.

An onlooker at the edge of the crowd can be heard saying, "Oh look, there's John Cox. All us folks respect him 'cause he's a good citizen. He's gonna welcome the travelers."

The tiring day has made the gold seekers weary. They make camp and build a fire around which they gather to eat, relax, and gossip. Mary Faggioli and Myrtle Dannaker busy themselves cooking over the fire. Robert Pollard, John Clark, and Ralph Stango are keeping the smaller members of the caravan occupied by showing them a new game played with a strange shaped ball. They call it "football."

In one wagon there is gayety as Barbara Hargreaves, Lois Stevenson, Joan DeLong, and Nancy Duranto sing "When we're rich, when we're rich, when we're rich!" Robert Kliewer whistles and James Burns keeps time on some old pots and pans. Bettie Casson peeks into the wagon and exclaims, "What's going on here?" Seeing the happy group, she joins in the song.

On the other side of the group there are peals of laughter. Folks are enjoying themselves as they watch Clarence Weldon throw Ponzo Evens up in the air and catch him with one finger. "Bravo!" shout the pioneers.

Sitting around the fire are Emma Ballard, Florence Berkey, Mary Porreca, and Dorothy Rambo listening to a Western gal, Sarah Brown. She is telling how she was captured by the Indians, almost burned at the stake, and was saved by Charles Morelli, the "Lone Ranger."

Joyce Stone is drifting from one cluster to another trying to sell a pamphlet written by Hazel Eattock and Dorothy Cunningham, telling how the pioneer wife can make her new life much easier.

And now the shadows are thickening and the long day is coming to a close. May Conley, Florence DiAntonio, and Lena DiPaolantonio tour the camp making sure that all the children are safe in bed, while Virginia Stackhouse, Ann Pfitzenmeyer, and Marie Capriola replace in the wagons the equipment which they have used. Everyone would like to get an early start in the morning. All the older travelers gather around the fire now. On guard with guns are Henry Rost, William Francis, and Paul Ahn, ready to shoot any Indians that may steal up on the camp.

Among the crowd Edith Frank, Angeline DiDomenico, Joliene Brenneman, and Teresa Amarante, listen anxiously as Professor Philip Buehler tells one of his famous Wild West stories. Virginia Ford, Arlene Favinger, and Dolores Seeds are talking eagerly about the virtues of the West as each tries to hide her feeling of homesickness. Ralph Caporal plays on his accordion, accompanying the romantic voices of Clifford Evens and Napoleon Bonaparte in a duet entitled "There's Gold in Them Thar Hills," which adds a musical touch to the group.

Katie Anthony finally reminds the group that it is getting late and time to go to bed in order to get an early start. After Leonard Zonetti and William Frank inspect the camp, the weary travelers willingly retire to dream of finding riches at the end of their journey.

The great caravan of eighteen forty-nine moves Westward!

Student Council

Sponsor—Mr. A. C. Whitcraft

The Student Council at T-E is an indispensable organization, members of which are elected by the student body. In the fall the Student Council held several victory dances and later a bonfire to celebrate our football victory over West Chester. Football sweaters for senior lettermen were contributed by the Council. Other achievements of this year's Council include awarding charms for letter winners of all sports, a clean-up campaign, and establishment of a permanent honor roll for World War II.

The Monitors, whose duties are to direct traffic in the halls and to seat students in assembly, are chosen and sponsored by the Student Council. They are selected in their junior year on the basis of scholarship and citizenship and serve through the first semester of their senior year. This year the Monitors installed a one-way traffic system on stairways, which has greatly relieved congested conditions in the halls.

Eastfrin Echoes

Adviser—Miss Eva June Smith

"Eastfrin Echoes," our weekly school paper, is written by a staff of volunteer students. The activity is under the supervision of Miss Smith, while Mrs. McElhaney directs the girls who type the dummy and stencil. The object of the paper this year has been to emphasize future events, to summarize briefly objects of general interest, and to point out individuals' contributions to our life at T-E.

Choral Clubs

Director — Miss Ethel Randolph

This activity consists of three choral groups: the Boys' Chorus, the Sophomore Chorus, and the Mixed Chorus. The Boys' Chorus, made up of eleven seniors, eleven juniors, and seventeen sophomores, is essentially for the enjoyment of the boys. However, their excellent training made them one of our favorite singing groups. The Sophomore Chorus, thirty-seven girls from the tenth, eleventh, and twelfth grades, is a training group whose purpose is to gain experience in choral singing. The Mixed Chorus is an advanced group of twenty-two seniors, thirty-three juniors, and sixteen sophomores whose performances were outstanding because of the many special song arrangements selected and directed by Miss Randolph.

The annual Christmas Concert provided all of us with an opportunity to enjoy the work of these groups. The opening number, a candlelight procession featuring seventy girls, was particularly impressive. Music Week in May was observed and the three groups were featured in the Spring Concert arranged for the occasion.

Selected groups from these choruses took part in various outside choral concerts. Seven members were participants in the Southeastern District Chorus held in Upper Darby. Anothed group participated in the Music Festival, held in the Municipal Stadium in Philadelphia in June and sponsored each year by "The Philadelphia Inquirer."

The choruses at T-E continue to be a popular activity and provide excellent training for those who enjoy group singing.

Band and Orchestra

Director — Mr. Stanley Gray

Headed by the Marching Band, winning recognition in several local competitive events, this activity at T-E also includes a Senior Band and a Junior Band. Mastery of band fundamentals comprises the main work of the Junior Band which is composed of junior high school students and others who are learning to play band instruments. The Senior Band, an advanced group, strictly elective, is made up of thirty-four high school musicians.

The Marching Band is one of our features at all football games and also takes part in public parades and other civic affairs. It is made up of members selected from the other two band units. It receives its financial support from a fine organization, the Band Parents' Association. The Marching Band continually thrills the spectators, and their fine music is augumented by their smart uniforms and skilled marching maneuvers.

The Orchestra is an essential part of every Assembly program. This activity provides important technical instrumental training for forty-five musicians at T-E. Their music is thoroughly enjoyed and is one of the features of the Christmas Concert, the Spring Concert, and the Commencement program.

Dramatics

Coach—Miss Irene Brumbaugh

The various dramatic clubs meet several times a week with Miss Irene Brumbaugh to read and enjoy plays and to practice speaking in public to gain self-confidence. The dramatics department has produced several enjoyable plays this year.

The Hallowe'en play, "Be Home by Midnight," was presented in assembly. The members of the cast were: Joanne Wilcox, Karl Khuen Kryk, William Callahan, Peggy Ann Ottey, and Stanley Lieberman.

A radio play given at Christmas, entitled "The Birth of the Song, Silent Night," was religious and provided a different form of entertainment for the students. Champions Again

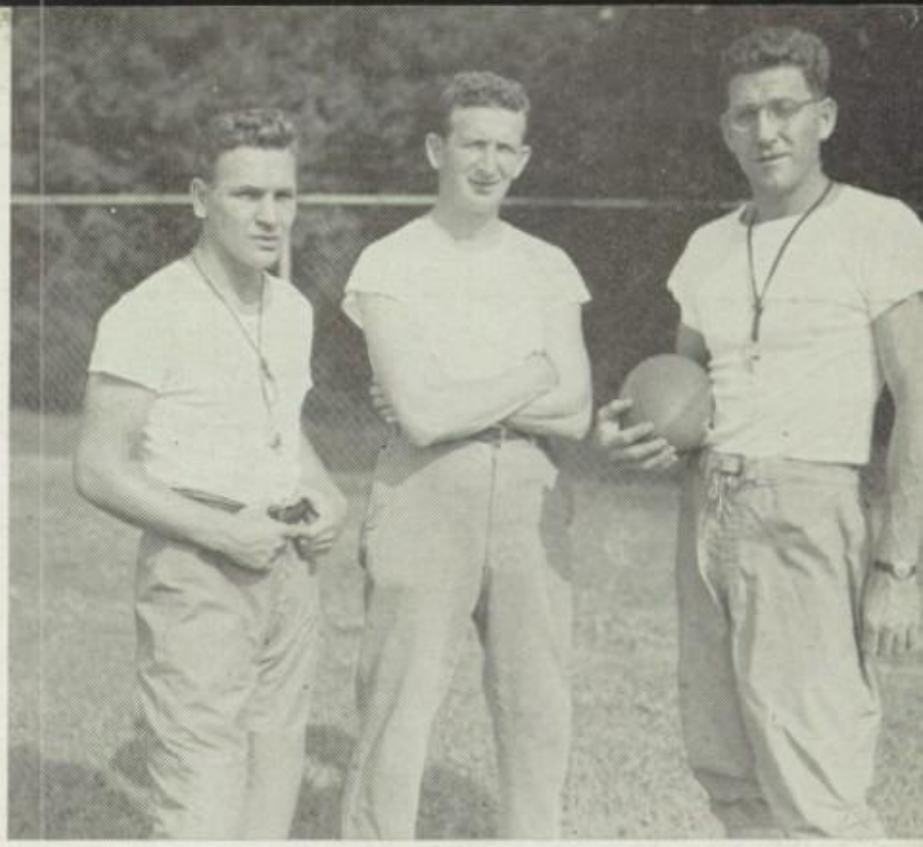
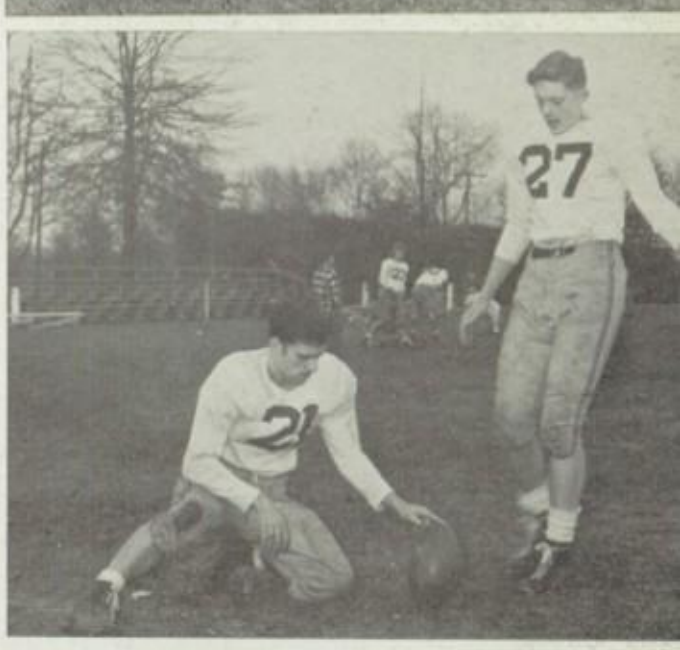
For the second time in three years, T-E's Bulldogs battled their way to the County Championship by winning six of nine games. A season of hard work on fundamentals and plays began with the first day of football camp late in August. The schedule started with one of the best teams in the area, a big and experienced Lansdale eleven. We lost a close one to them on our home field, but came back with a vengeance to defeat Haverford and Conshohocken by impressive margins.

A high-scoring but very close game was dropped to Radnor on a muddy field. In spite of the rain and slow-going, the lead changed several times and the game was decided in the last two minutes of play. Upper Merion was hurdled in fine style and the Garnet and Gray was ready for the part of their schedule that was all-important—four county league games. An upset victory was scored against Coatesville. Minor Vail booted the extra point that meant the ball game. Downingtown was the next victim and the Bulldogs prepared to meet Phoenixville. Taking the lead in the first half, we were unable to halt a determined and fighting Phoenixville team, who scored in the second half to provide the winning margin. The county title hung in the balance down to the end of the schedule and the Thanksgiving Day game with West Chester became a "must" game. One point was the margin of victory for T-E and the title of Chester County Champions was ours for another year.

All games were marked by team-play of very high caliber. Once again the spark was provided by Bob Pollard. A three-time all-county team player, Bob also received the highly esteemed Powell Cup, a trophy awarded to the most outstanding player in the Main Line. A further honor went to Bob when he was selected for the second eleven of the Philadelphia and Suburbs All-Scholastic Team.

Dave DeRafelo, one of our promising sophomores, played fine football all season and was selected for the All-County first team along with Bob Pollard. As a result of stellar play throughout the schedule, Les Hughes, Francis Allen, and Ralph Stango won places on the All-County second team. Honorable mention went to Cliff Evens, Yerkes Wilson, Eli McLaughlin, Leonard Zonetti, Cesare Natale and Tom Miller, the last two being juniors. The coaching staff gets a nod from everyone for a splendid job. Head Coach Ernest Meyer was ably assisted by Robert Keehn and Earl Metzler. The T-E championship team is a tribute to our school and to the fine leadership, training, and inspiration provided by the coaching staff.





VARSITY

JUNIOR VARSITY

Basketball

Coach—Walter W. Hauser

Although able to show only eight wins in twenty games, T-E's basketball team fought to the end of every game. Several close ones were dropped to bigger and more experienced teams. The first season under Coach Walter Hauser provided better games than the scores indicate. A season high of 294 points was turned in by Bob Pollard, while Tom Miller and Mickey Allen followed with 163 and 110 respectively. The defense centered around Les Hughes who broke up many a score. Bob Stackhouse, Nick DiBiase, Bob Patton, Charlie Gasser, and Bob Kliewer turned in fine performances during the season.

The JV's proved that varsity material was on the way. The team was paced by Occi Vause who scored 83 points for the season, followed by Jim Hopkins with 75 and Don Girard with 67 points. An aggressive playing squad was completed with Bob Carver, Tom Foster, Elias Redman, Bill Walton, Henry McQuiston, and Sol Morgan.

With the return of three veteran players, the girls' hockey team, coached by Miss Dulin, experienced a very competitive and fairly successful season. Every afternoon in the fall, when the weather permitted, the varsity and jayvees assembled on the hockey field to practice diligently.

The captain of the varsity was Barbara Hargreaves. Captain-elect of the next year's team is Selina Bernard, a varsity player for three years.

The girls' basketball team experienced a very successful season. Coach Dulin chose the teams from more than fifty candidates that reported. Barbara Hargreaves was unanimously elected captain and led her team through many days of hard practice and games with other schools.

The girls' varsity also participated in the annual Faculty-Varsity basketball tournament along with the boys' varsity squad. These games provided amusement for the students and funds for football camp.
